Miss Frances Wallace has returned to her home in Fairfield, after passing a few days in the city as the guest of her brother, Harold Wallace, who is attending Goddard seminary.

Sunday evening at 7 o'clock in the Presbyterian church, Rev. Edgar Crossland will preach on the first petition of the Lord's prayer, "Hallowed be Thy name." Miss Bella Cantley will sing a solo.—adv.

We can spare a few rooms for winter boarders, also would like a few table boarders. Figure what it is costing you to keep house and then come and talk with me at Hotel Barre. J. V. Rowen, manager.—adv.

Anyone who has read Rex Beach's book, "The Spoilers," will want to see the picture. This is a nine-reel feature at the Barre opera house Friday and Saturday nights, also a Saturday matinee. Price, 10c.—adv.

Gordon Owen, who is taking a vacation from his duties in the M. J. Whitcomb's store in East Barre, has gone to Montgomery, where he is passing part of the open season for hunting deer in the home of his brother, E. T. Owen.

"The Spoilers" had a big run in New York, Chicago and Boston and it is the most wonderful story ever filmed. Be sure and see this either Friday or Saturday night at Barre opera house. We are also running a Saturday matinee at 2:30 p. m.—adv.

Contrary to unfounded rumors that have been put in circulation, the little daughter of Mr. and Mrs. George Murray, Jr., of the Worthen block, who was awarded a high rank in the better babies' contest recently conducted by the Barre Woman's club, was entered as a 22-month-old child, which is her correct age.—ADV

Members of Winnetta council, No. 10 Daughters of Pocomantas, had a very enjoyable social hour after their regular business session last evening. The delegation that worked the degree in Hardwick two weeks ago, gave an interesting report of the ceremonial and dainty refreshments were served before adjournment.

George W. Mann of Wellington street, left the city last evening for Boston, where he was summoned by news of the serious illness of Mrs. Mann, who has been with her daughter, Mrs. E. M. Laws, since last July. Mrs. Mann has been in impaired health for several weeks, although the gravity of her condition did not become apparent until recently. If her health permits, Mrs. Mann will accompany her husband on his return to Barre.

On account of the coronation festivities, which are going on in Japan, the attention of the world is directed toward that land of flowers and everything Japanese is in special favor. This has been noticeable at the Universalist fair, as the largest crowd is around the Japanese department. Many lines of goods have been sold, but enough remain to yet make that booth an interesting place near which to linger. The tea and rice cakes have met with popular approval and will continue to be served during this afternoon and evening, when the fair closes.—adv.

"East Lynne," next to Squire Haskins and Joshua Simpkins, the most popular melodrama of the Laura Jean Libby era in theatricals, was the offering at the Barre opera house last evening and a good many folks whose first memories of "going to the show" cluster around that classic of a generation ago made it a point to witness the new version of the piece. Pauline Geary White, the leading woman, had not recovered fully from an attack of indigestion, with which she was stricken in Burlington on the day previous, but she carried her part well and was warmly applauded for the manner in which she overcame the difficulties incident to a severe cold.

A letter received by the president of the Barre Board of Trade from the American Defense society of New York urges the co-operation of local civic and semi-civic associations in the observance of Monday, December 6, as "Defense day." In case there is an earlier meeting of Congress, the opening day will then be chosen as American defense day. The idea originated with the society cited above and all people in favor of a greater national defense are asked to show flags at every house and on every public building. To make the campaign for a better measure of preparedness in American more nation-wide in character, the society has adopted the plan of enlisting the support of municipal governments, boards of trade and chambers of commerce throughout the United States.

Among the men who are active in the society are: Hudson Maxim, Charles J. Bonaparte, Theodore Roosevelt, James J. Hill, David Jayne Hill, John Orier Hibben, George L. Von Meyer, Rupert Hughes, Henry Reuterbach and several state governors.

Bookings made for the Barre opera house by Manager Frank E. Austin include a few of some of the finer productions that were slated for long road tours this season only to be recalled after getting away with bad starts. A number of the local management's bookings have been cancelled this fall, but the announcement made at the box office today indicates that the loss to Barre playgoers is to be retrieved in part, at least.

On the evening of Dec. 6, William Lawrence, who did an effective understudy for Dorman Thompson, will bring his own show, "The Nut Doctor," a musical farce, to town. Next week the Elyria Stock Co., which started the house record and its own record for a six-day run last year, will be here. A colored show, "In Kentucky," with a picturesque band and "Queen Bees," a thoroughly Kentucky house, is booked for Nov. 20. On the evening of Dec. 10 the New York Opera Co. will send a company here to sing "Faust" in English, with M. Umberto Sanchetti, formerly of the Metropolitan Opera Co., as the leading tenor.

"The Only Girl," a Joe Webber production and one of the largest musical shows abroad, will be here in January and a number of better-than-average stock companies have been booked. "Uncle Tom's Cabin" is also due in January.
